

## PROJECT BULLETIN

### BANK HOLIDAY ARRANGEMENTS – 19 SEPTEMBER

In recognition of the Queen's state funeral, Monday 19 September has been declared a bank holiday in the UK.

As such, usual bank holiday arrangements will be recognised across all Murphy UK offices in recognition of this significant event.

Certain critical projects will be required to continue work as planned and in accordance with our usual bank holiday requirements. Details of specific sites and projects where this applies will be confirmed by business units within the next 48 hours along with confirmation of the arrangements, where possible, for those employees who are required to work to be able to watch the state funeral at 11am.

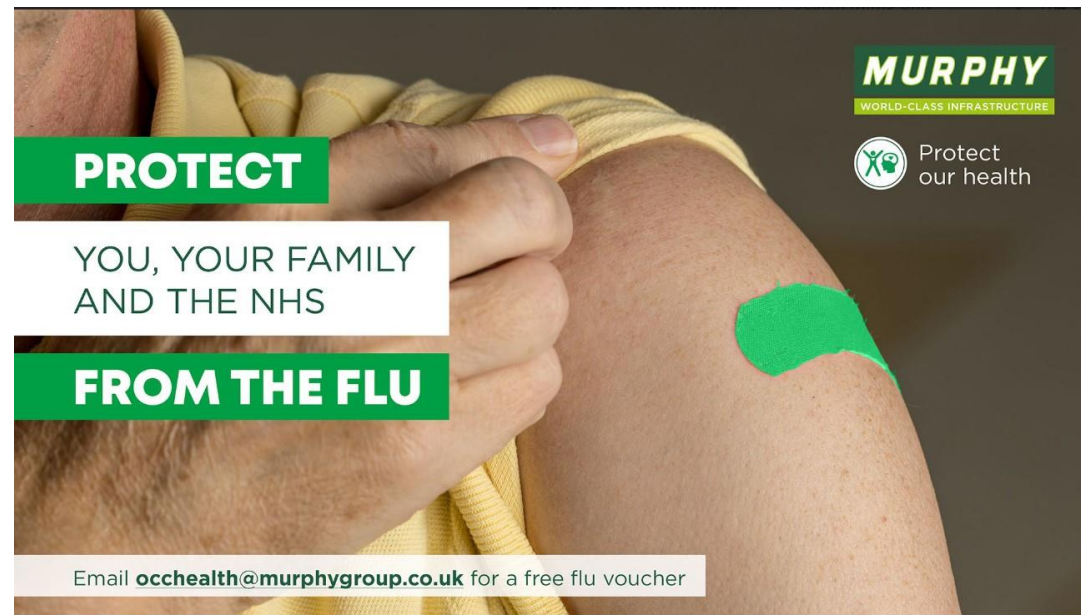

Please contact your local management team with any queries. Working arrangements return to normal on Tuesday 20th September.
